Powertrain Plus Plan

Engine:

Crankshaft and bearings; oil pump; pistons; piston rings; connecting rods and rod bearings; timing gears and chain or belt; camshaft and camshaft bearings; push rods; rocker arm shaft and hydraulic lifters; intake and exhaust valves, valve springs. Engine blocks are also covered if a breakdown was caused by the above listed parts.

Transmission:

Automatic - Gears; input and output shafts; bearings; front pump; planetary assemblies; spragues; governor assembly; valve body; and torque converter.

Standard - Gears; input and output shafts; bearings; overdrive housing and transmission case if the Breakdown was caused by the listed parts. Clutch plate, pressure plate, flywheel, release and pilot bearings are not included.

Drive Axle:

2 Wheel Drive - Drive shaft; ring and pinion gears, pinion bearings; side carrier bearings, carrier assembly; thrust washers; axle and axle bearings; Universal and CV joints, except if boot was damaged or missing. Drive axle housing is covered if damage is caused by Breakdown of listed lubricated parts.

4 Wheel and All Wheel Drive - Drive shaft; differential and CV joints, except if boot was damaged or missing. Only covered when applicable surcharge has been paid.

Cooling:

Water pump

Electrical:

Alternator and starter

Seals & Gaskets:

Optional coverage that can be purchased to cover failed seals and gaskets for all listed parts above. It is available only if the Seals and Gaskets option box on the Declaration page is marked and the Vehicle has less than 125,000 miles at the time of plan purchase.

Premium and Extended Plan

includes all of the powertrain plan plus the following:

Air Conditioning: (Factory installed only)

Compressor, evaporator, accumulator and condensor.

Front Suspension

(For vehicles with less than 50,000 odometer miles at purchase date):

Struts; upper and lower control arms; upper and lower ball joints; steering knuckle; wheel bearings; control arm shaft and bushings.

Steering:

Power steering pump; steering gear housing and its internal parts; and rack and pinion assembly.

Brakes:

Master cylinder; ABS master cylinder; vacuum booster; wheel cylinders; disc brake calipers; hydraulic lines and fittings. Pads, shoes, drums and rotors are NOT covered.

Cooling:

Radiator; fan clutch; water pump; and cooling fan motor.

Fuel Delivery:

Fuel pump; fuel tank; fuel injectors and metal fuel lines.

Electrical:

Battery; voltage regulator; wiper motors; wiper module; window motors; ignition module; ignition coil; engine operation computer; distributor; starter solenoid; seat motors; door lock actuators; manually operated switches for the above listed parts.

Seals & Gaskets:

Optional coverage that can be purchased to cover failed seals and gaskets for all listed parts above. It is available only if the Seals and Gaskets option box on the Declaration page is marked and the Vehicle has less than 125,000 miles at the time of plan purchase.
